Greetings North Clayton Middle Parents!

I am very excited about this new school year and I wanted to let you know that I am available to assist you with any questions you may have from **8:30 a.m. until 3:30 p.m.** Monday through Friday. We are currently back in the building, however, due to Covid-19 we are limiting access for the health and safety of the students and staff. For your convenience we have a Virtual Resource Center available for you to access. The Virtual Resource Center is full of valuable parenting information and resources, monthly calendar, brochures, and employment resources. Additionally, there is educational and community information to assist and keep you informed.

The monthly calendar is available so that you can access day to day activities and workshops. We also have information about Infinite Campus Access so that you may view your child's grades online. If you have questions or need further assistance, please do not hesitate to contact me at 770-994-4025 Ext.517129 (office), Google Voice Number 404-490-1447 or email me at yvonne.tigner@clayton.k12.ga.us.

I look forward to hearing from you soon!
