## Designation School Status Parent Notification

*September 14, 2016*

Dear Parent(s)/Guardian(s):

The Elementary and Secondary Education Act (ESEA) of 1965 requires that parents or guardians who have children attending a Title I school be notified of how well their school is preparing its students for college and/or a career, as well as the school's designation status under Georgia's ESEA Flexibility Waiver.

Under Georgia's ESEA Flexibility Waiver, certain Title I schools are designated as Reward, Priority, Focus, or Alert schools. The Waiver also allows the use of the College and Career Ready Performance Index (CCRPI), which serves as a comprehensive report card for all schools in Georgia. The CCRPI provides a score between 0-100 for each school, and that score measures how well the school is doing in preparing its students to be successful in college and/or a career.

**North Clayton Middle School CCRPI score for the 2014-2015 is 64%. This represents a .10 point decrease from the 2013-2014 school year. However, pass percentages increase in all content areas. You can find more detailed information at the Georgia Department of Education Website. <http://ccrpi.gadoe.org>**

I am very proud to tell you that North Clayton Middle School has not been given a school designation this year, which means we are a Title I school that is continuing to provide a quality education to all of our students.

**We are proud to announce that 54.9% of our students are reading at or above their grade level. 62.3% of our students are developing or higher in English Language Arts. 59.1% are developing or higher in Math, 41.6% of our students are developing or higher in Science, and 53.6% of our students are developing or higher in Social Studies. In order to increase these scores we offer after school remediation tutoring to all students and more training for our staff.**

At North Clayton Middle School, we take pride in the teaching we provide for our children. Our teachers and staff members work very hard to meet the needs of all students to ensure they achieve at their highest potential.

.

An important part of North Clayton Middle School success is parent participation and support in developing activities to improve student achievement. We hope that you will become involved in our school improvement work as we continue to monitor student achievement and set high expectations. If you are interested in participating in the development of our school improvement plans, being a part of our family engagement team or have questions about how you can better help your child in school, please contact Shakira Rice, **Principal** at 770-994-4025 or [shakira.rice@clayton.k12.ga.us](mailto:shakira.rice@clayton.k12.ga.us)
